**REGAL SUN RESORT OASIS AQUATIC PLAYGROUND
NAMED BEST US HOTEL WATER FEATURE**

Hotel Wins Among Moderately Priced Hotels

ORLANDO, Fla. – August 20, 2008 – The International Restaurant & Hotel Awards named the Oasis Aquatic Playground at the newly renovated Regal Sun Resort (www.RegalSunResort.com) the *Best Water Feature* among moderately priced hotels in the United States.

“With 1400 nominees, the Regal Sun Resort is thrilled that we are the **only** moderately priced (\$170- \$349) US hotel named as having the best water feature,” said Jay Leonard, general manager of the Regal Sun Resort. “We’re very proud of our \$25 million dollar renovation and the Oasis Aquatic Playground just makes the Regal Sun Resort that much more appealing to travelers coming to Orlando.”

Located within the Walt Disney World Resort, the Regal Sun Resort features its Aquatic Oasis Playground. The playground includes a huge clover leaf-shaped pool with a gradual "beach entry," many fun interactive water features for the kids, including spraying water cannons. It also has a large hot tub on a raised platform, overlooking both the pool and the picturesque lake, enhanced poolside Oasis Bar & Grill and lush tropical landscaping.

The International Restaurant & Hotel Awards are the world's most prestigious awards recognizing the best value (\$169 or less), moderate (\$170-\$349) and luxury (\$350 or more) travel establishments in the industry across categories. The International Restaurant and Hotel Awards are conducted each year and are open to restaurants and hotels anywhere in the world. All hotels and restaurants are judged within main categories and 12 subcategories based on service rates.
